

FUELING OUR ENERGY FUTURE WITH NATURAL GAS

Natural gas is fueling our energy future by driving economic growth, strengthening communities, and helping families thrive now, and for generations to come.

Did you know?

Natural gas is 3.5 times more affordable than electricity.

Natural gas is viewed by 75% of adults as the most reliable way to heat their homes and cook meals.

Using natural gas directly is 2.4 times more energy efficient than generating electricity for use in homes and businesses.

BE CAREFUL AROUND PIPELINE RIGHTS OF WAY

Yellow warning markers indicate the approximate route of larger pipelines and how to contact the operator. The right of way must always be kept clear so that the line can be visually inspected and quickly repaired. Obstructions must be kept off the right of way. State law requires you to call 811 at least two working days before digging to have pipelines or other utilities marked.

Help Your Neighbors in Need. Contribute to Sharing the Warmth

You can help the elderly, the disabled and families in need keep their homes warm and secure by donating to Atmos Energy's Sharing the Warmth program.

All donations are distributed to a local area non-profit energy assistance agency(s) that serves your community.* Visit www.atmosenergy.com/share to find agencies near you.

Please indicate the contribution amount below to be billed monthly on your Atmos Energy statement.

Thank you for sharing the warmth with those in need in your community.
