

Always call 811 before you dig.

Hi! I'm Gus the Gopher. I'm here to remind you to call 811 before you dig to have utility-owned lines in your yard located. This helps protect you from injury and expense. Call 811. It's free. And it's the law.

For more on safe digging, visit atmosenergy.com/call811.

MAINTAINING YOUR GAS LINE

Pursuant to Department of Transportation regulation 49 CFR 192.16, Atmos Energy is required to inform you that we do not maintain the natural gas piping from our gas meter to your home or business. The natural gas piping from our gas meter to your home or business is your responsibility to maintain. If buried piping is not maintained, it may be subject to the potential hazards of corrosion and leakage. You should have piping periodically inspected for leaks. If the piping is metallic, it should be periodically inspected for corrosion. If any unsafe condition is discovered, it should be repaired. Plumbing contractors are possible resources for locating, inspecting and repairing your piping. Call 811 prior to any excavation to have underground utility-owned lines located and marked at no charge to you.
