If you feel that you have been incorrectly billed for water or sewer services, you have the right to dispute the charges. You must file within 90 days from the date of the first disputed bill to request an administrative review or hearing. Please visit our website at www.houstonwater.org for a complete list of non-disputable items. If you are waiting for a decision on a bill adjustment, you must continue to pay your current bill(s) while awaiting resolution of your adjustment to avoid interruption of your service, additional penalties, and/or late fees. **In the event service is disconnected for non-payment, service may not be reinstated for one to two business days after the account has been paid in full or satisfactory arrangements have been made.**

If your services are in danger of termination because you cannot pay, you may be eligible for assistance from the W.A.T.E.R. Fund. Proof of income is required and assistance is subject to availability of funds.

Your drainage charge is calculated on the impervious surface area of your property less a 1,000 square foot adjustment.
