or returned payment fees. Payment of your Cox bill confirms your subscription to services and the possession of Cox owned equipment listed on your bill.

When you provide a paper, electronic check or electronic fund transfer (EFT) as payment, you authorize Cox to process your payment as a traditional check transaction or to make a one-time EFT from your account. An EFT may debit your account as soon as the same day you make your payment. Payments returned unpaid for any reason will incur a returned payment fee of up to \$25.00, or the maximum allowed by state law. By using a credit card, debit card, paper check or an electronic check to make a payment, you agree that, if your payment is returned unpaid, you expressly authorize a one-time electronic fund transfer from your account for the amount of the payment plus any returned payment fees. If payment is not received by the "Due By" date indicated on your statement, a late payment charge may be assessed on your account.

**Basic Local Telephone Service:** You must pay all regulated telephone charges to avoid disconnection of basic local telephone service. If you pay less than your full monthly bill and want the partial payment applied to telephone charges first, call Cox Customer Care; otherwise, your partial payment will first be applied to any past due balance, including non-regulated charges, putting you at risk of disconnection of telephone service.

**911 Services:** If your modem is disconnected or moved, or its battery is not charged or otherwise fails, phone service, including access to 911 services will **not** be available. Please review the following website for additional important information about Cox's 911 practices: <https://www.cox.com/business/phone/e911-regulatory.html>.

**Billing Dispute and Resolution:** If you have any questions or disagree with any portion of your bill, please contact us at the phone number on this statement no later than 60 days from the due date indicated.

Phone Customers: If after contacting Cox we are unable to resolve your concern about your Phone Service, the service may be subject to state regulation and you may file a complaint with your states regulatory authority below.
