Meter Information

Please note that when manually calculating your usage, your values may differ from your billing statement by as much as your multiplier number. This difference is due to the rounding down of your previous and current usage amounts during our billing process.

If NV Energy is unable to read your meter because of circumstances beyond control, you may be billed based on estimated usage for that billing period.

Additional Information

Understanding Your Bill: Your bill has a lot of information and terms you may not have heard before. For definitions of all charges and taxes, please visit www.nvenergy.com/home/customercare.

Rules and Regulations: Rules, regulations, and rate schedules are available for public inspection at nvenergy.com/rates.

Payments & Due Date: Bills for service are rendered and due monthly by the due date. Your bill becomes past due on the next meter read date, at which time a 1.5% late fee is applied. All payments made by check authorize NV Energy to initiate an electronic debit. Checks will not be returned and funds may be withdrawn the same day. Please make checks payable to NV Energy.

Payment Arrangements: If you have difficulty making a payment, we are here to help. Give us a call so we can review all the options available to assist you.

Interruption in Service: NV Energy may issue a termination of service notice and may require a security deposit for delinquent payments.

Good Pay Forgiveness: Life happens - payments get lost, transactions don't go through, time slips away. Whatever the reason, we understand. We forgive a missed payment one time for customers with excellent payment history, so you don't face possible service interruptions.
